Please also note the following important points:

- All students of grade XII (BS & GS) will be called for face-to-face classes on all the working days to cater to the need of covering the prescribed syllabus on time.
- The students of remaining classes (KG to VIII, IX, X & XI) have been divided into groups and every group has been allotted respective days in a week for physical/in-campus classes.
- Students will be provided with the study material as home assignment on the days when they have no physical mode of classes.
- The scheme of the group allocation will be shared among students by the respective class teachers.
- All the children coming to attend physical class in school campus have to follow the Standard Operating Procedure (SOP) set out by the Ministry of Education & Ministry of Health as a matter of Covid precaution.
- Parents are advised to provide their wards water bottle and eatables as there will be no canteen facility in school premises.
- Parents are also requested not to send their ward to school in case he or she has any fever symptom or other related sickness symptom.

- h. Please bear in mind to maintain the punctuality for pick & drop of your wards as per the schedule.
- i. Please also be informed that as of now, school is not providing any transport facility to any student. However, process for outsourcing school transport facility is underway and will be intimated in due course of time.
- j. Promoting and demonstrating regular hand washing and positive hygiene behaviours among your wards at home will motivate them to practice the same habit in school.
- k. Every student entering the school premises is required to disinfect his/her hands with disinfectant solution provided at the entrance of the school building and to wash hands with soap very often.
- l. Students are also required to take their temperature using the non-contact thermometer installed at each entry point in the school campus.
- m. Wearing a facemask all the time is mandatory for the students attending physical classes.

IISJ management is thankful to all the respected parents for extending their wholehearted support in smooth functioning of the school through virtual mode during turbulent Covid situation and the same is expected for obtaining overall success in face-to-face classes as a matter of compliance of the latest MOE guidelines.

The school will resume in full-fledged physical mode for upcoming Academic Year-2022-23 w.e.f. April 03, 2022.
