“52 Years of Academic Excellence”

We Care, We Support, We Achieve

OUR VISION

International Indian School Jeddah aspires to be a centre of excellence that nurtures and develops each of its student to the fullest potential in all walks of life.

OUR MISSION

To provide a safe, sensitive and caring atmosphere for children where they can learn, play, explore and understand the world.

Organize their study of the curriculum through participatory activities giving every child opportunity to grow and develop in intellect, integrity and leadership.

Offer scope to intermingle in a wide range of social, cultural and emotional diversity where moral, ethical and religious values are strengthened through guided interaction.

Present children with opportunities to care, love, help and sacrifice for the sake of the needy in their community. Work relentlessly to foster brotherhood, harmony and global peace.

OUR MOTTO

Knowledge is light

About the School

International Indian School Jeddah formerly known as Embassy of India School is an Elementary and Secondary School for the children of Indian Nationals in Jeddah, Saudi Arabia with boys and girls taught separately in English. It was founded in 1969 and it is part of a constellation of International Indian Schools under the patronage of the Ambassador of India, Riyadh. The school is licensed by the Ministry of Education, KSA and affiliated to the Central Board of Secondary Education, New Delhi.

IISJ visualizes peace and intellectual development within the Indian community in Jeddah and the world at large; through balanced, multifaceted and meaningful education of its youth. The school currently has on its rolls about 10, 200 students, 400 teachers and 100 support-staff all of them forming a cohesive family headed by the Principal.

At IISJ education from Class KG to XII is imparted. The teachers, students and other staff of the School have together created a healthy educational atmosphere in which the physical as well as intellectual abilities of every student are enhanced in totality.

The curriculum of School is learner-centered. The daily activities and lessons are planned, keeping in mind the interests of the students. All efforts are made to ensure that practical work lead to the educational as well as physical training of the students. Systems, rules and regulations have been adopted to complete syllabus in an atmosphere created both inside and outside the classes so that the students on their own may make an effort to acquire imparted skills and knowledge, taking the guidance of the teachers.

The Education Commission 1977 has strongly recommended that the prescribed general education syllabus should be followed up to class X so that it may lead to the multi-faceted growth of the student. The view of the Commission is that by the time they come to the end of class X of school education, the interest and abilities of the students may be judged. On the basis of this view, the Commission has recommended the teaching of optional subjects for Class XI and XII. The school shares a common syllabus and offers English as medium of instruction. The quality of teaching is kept reasonably high by an appropriate teacher-pupil ratio.

The school provides a safe and conducive environment for children to learn and develop mentally, physically, emotionally and spiritually so as to confidently face future challenges. The school is proud of its large team of dedicated teachers, sprawling campuses with technology enabled class rooms, laboratories, libraries, playfields and a massive fleet of school buses.

The school caters to developmental aspects in all stages of students' life; from the tender care and play-way learning in kindergarten to social, moral and cooperative interactions in pre-primary and primary levels. The middle, secondary and senior secondary levels see the rigors of academic growth, where good study habits with consistent efforts of self-study are stressed. At every stage students participate in a large variety of awareness program and competitions which aim to motivate every student and reward excellence in scholastic and co-scholastic activities.

The final frontier that our students brave is the class XII CBSE examination, for which IISJ fields about 500 students every year. The school has been, for the past eight years, consistently topping the charts in KSA and winning acclaim from the Ministry of Education, Govt. of India for overall excellence in academics. The school football, basketball and volleyball teams, being the toppers in the Kingdom, are participating in the CBSE National Tournaments in India.

IISJ is proud of its Alumni that has carved out a highly respectable niche in all walks of life, throughout the world. The school has grown exponentially over the years since its humble beginning in 1969. Today IISJ stands as a gigantic educational, social and cultural hub for the Indian community in Jeddah. Its iconic Auditorium is witness to a variety of programmes that bring pleasant, lingering memories for parents- students – teachers – management who are witness to programmes of celebrations, interactions and competitions in an atmosphere of friendly togetherness. All such programmes have repeatedly been acclaimed and appreciated in the media.

Co-curricular Activities

Co-curricular Activities are integral to academic development. The school provides for a wide range of activities, the **Literary Club** conducts elocutions, recitations debates, the **Science Club** focuses on model making, projects and exhibitions, **Cultural and Social Clubs** aim to build leadership and organizational skills through conduct of special assemblies, seminars and awareness programmes such as Earth Day, Teachers' Day, Constitution Day etc.

Students participate in inter-school debates, quizzes,olympiads and science projects conducted by various organizations. The school has been consistently topping at the mock UNO programme conducted by Dar Al Hikma University.

Students are divided into four houses - Red, Green, Blue and Yellow. This system inculcates the spirit of friendly competition and the urge to excel.

Wide range of competitions are conducted related to every subject of the curriculum including Qirat and Islamic quiz, Art and Craft, Computer Creativity and Heritage Quiz.

Games and Sports are essential for maintaining the physical and emotional wellbeing of a child. Inter-house competitions in various games and athletics are held which culminate in the Annual Athletic Meet, CBSE Cluster meet and Nationals conducted in India.

Scouts & Guides attend camps in and outside KSA that train them for leadership and volunteer activities. They have been actively playing an important role during the Hajj.

Excursions and picnics are conducted from time to time.

At the primary level Bulbuls /Cubs and Bunnies have fun filled activities effectively carried on according to the guidelines of APRO - Bharat Scouts & Guides.

Promotion Rules

For Classes I- V

1. The school follows the policy of promotion from Class I to Class V subject to the condition that the student puts in the required percentage of attendance in the full academic year.
2. It is required for the students to write the two periodic assessments, Half Yearly and the Annual Examination except for a genuine reason.
3. A student may be retained in the same class under one of the following circumstances:
 - (a) The parents make a special written request that the student should be allowed to repeat the class provided he / she comes under the recommended age group.
 - (b) The class teacher strongly recommends repetition of the class by the child for adequate academic improvement.

For Classes VI-X

Prevailing promotion rules of CBSE will be followed.

For Class XI

1. A student is declared pass if he/she secures a minimum of 33% marks in theory and 33% marks in practical(whenever applicable).
2. Students placed in compartment examination in a subject involving practical work are required to reappear only in the failing portion i.e. either theory or practical in the compartment examination.

Compartment Examination for Class XI

1. Students failing in any **one** subject in class XI will be eligible for compartment examination.
2. Students failing in **two or more subjects** will be detained in the same class.
3. For promotion, a student must secure a minimum of 33% marks in the compartment examination.

Other Information:

- The candidates who have failed or have been detained consecutively twice in (the annual exams of) class VI - IX & XI or who did not appear in the exams, will not be eligible for renewal of the admission.
- The internal students of class X who have to appear in the compartment exams , have to submit their application forms for Class XI. The students, who pass the compartmental exams with the required percentage of marks, will get the renewal of admission within 10 days after the results are declared. There will be no renewal of admission thereafter.
- The students of Classes X & XII who have been debarred from appearing in the board exams due to shortage of attendance will have to complete the formalities of re-admission for the next academic session by the stipulated date.
- The students who were not allowed to appear in the annual exams due to shortage of attendance should fulfill the formalities of the renewal of admission for the next academic session by the stipulated date.

School Facilities

International Indian School, Jeddah has separate blocks for the students of the Kindergarten, Primary, Middle and Senior level. Each block features a number of facilities designed to meet the specific requirements of the students.

Classrooms

Our classrooms are spacious and accommodate quite comfortable class sizes so that students can study in a conducive environment. Smart board technology makes teaching and learning interesting and enjoyable.

Libraries

Libraries are well stocked and maintained by Librarians who render book lending facility to the students. Students are encouraged to make full use of these facilities in order to inculcate love for books and the habit of reading from an early age. Online library and reading room facility provides students with newspaper, magazines, journals, current affairs, sports etc.

Laboratories

To provide hands on practical experience to our students, well designed and equipped facilities are provided. The school has separate laboratories for Physics, Chemistry, Biology, Geography, Home science, Mathematics, Computer science in accordance with the CBSE Curriculum. It also has the facility of Junior Science Labs for both boys and girls.

Activity Rooms

K.G and Lower Primary Section have well equipped activity rooms that cater to a variety of teaching aids in the form of activities and entertainment sets that work on developing psychomotor skills in children. These resources are aimed at stimulating the interest of students during recreation as well as during specific class activities.

Playgrounds

Our school playgrounds in different blocks are specially designed and equipped to enable the children to play. There are designated areas for Cricket, Basketball, Volleyball and Athletics. A secure covered area is used for Kindergarten children to play.

School Facilities

Auditorium

A multipurpose auditorium provides an ideal space for School Assemblies, Programmes, Functions, Competitions, Indoor games and Activities. Separate facility for girls and boys section provides arena for Inter-house and Inter-school Competitions, Debates and Awareness Programmes.

Career Guidance Cell

To provide latest information on courses offered in various institutions of higher learning in India and in other countries, the Career Guidance Cell provides all assistance to the students to choose the right course for their future career. Seminars, contact programs and conventions are organized to apprise the students of the current admission procedures in institutes of higher learning.

Counselling Cells

Counselling Cells has been established in both the girls and boys blocks to help the students to resolve Emotional, Social or Behavioural problems. We have full time counsellors to facilitate our students to work through their difficulties such that they could optimally utilize their potential.

Canteen

The school canteen offers nutritious and hygienic snacks and soft drinks at affordable prices. Canteen facilities are provided to students of both the blocks.

Medical Rooms

The school has well equipped medical rooms with the best of first-aid facilities. Each block has qualified nurses to attend to the medical needs of the students. Any emergency is referred to the nearby hospital.

Security System & CCTV Surveillance

The safety and security of our children is our priority in school. In order to provide a secure environment for our students, the school has taken the initiative to install CCTV cameras around the school campus to ensure safety at all times. We have well trained security guards who guard the school premises round the clock.
