## A Word to the Parents

Every parent is a 'teacher' to his/her child. International Indian School Jeddah solicits a closer sharing and rapport between teachers and parents for developing the mental and physical faculties of the child so as to help him/her play the rightful role in the society in later years. The faculties of orderliness, discipline, dedication and obedience take root at home and develop further at school. Temperament, disposition, attitude and behaviour have to be moulded by the parents as well as the teachers. To carry out the joint responsibility, the school requests the parents to:

1. Regularly monitor the academic progress of their child and communicate with the concerned teachers through this diary regarding problems if any. If needed, the concerned H.M. or the Principal may be contacted.
2. Acknowledge every communication sent by the School by way of notes/circulars.
3. Help the child correct his/her behaviour as and when required.
4. **Ensure that the child is regular and punctual to school.** Always send a leave letter if he/she is absent from school. This will help avoid truancy, as well as, removal of name from the school rolls in case of long absence.
5. **Please don't send your children to school if they are sick.** especially during Tests. Medical Report along with leave application can be submitted later to the Class Teacher.
6. Always pay the fees and other dues on time to avoid embarrassment to the child.
7. Attend all the Parent-Teacher Meetings and get a feedback on the progress of your ward.
8. Ensure that the child is neatly dressed and has all the prescribed books as well as stationery requirements. Do not encourage the habit of borrowing. Teach him/her the value of honesty, integrity and politeness.

9. Ensure that your child wears the ID badge to school every day.
10. Ensure that children suffering from communicable diseases like Mumps, Measles, Typhoid, Cholera, Chicken pox, etc. do not attend class or the examination till the quarantine period is over. When they resume school a fitness certificate from the hospital should be sent along with the leave note.
11. Parents are requested not to go to the class rooms for any reason. They should go only to the H.M. who will help them in the matter.
12. Monitor the use of gadgets by your wards. Use of internet and social networking sites and apps should be restricted and monitored.
13. Ensure proper and healthy food habits. Encourage your child to carry home-made food to school.
14. Encourage your ward to participate in the various activities organised by the school. Guide and support them to balance between the scholastic & Co-scholastic activities.
15. Suggestions from parents on improvement of school and welfare of the children are most welcome.
16. In order to ensure the safety and security of your wards, make one fixed transport arrangement for him/her to commute to and from school. Students who commute by school bus should use only the bus to commute to and from school.
17. Parents' contact number is a must and should be available throughout. Latest changes must be updated.
