Subject: Reopening of School in physical mode w.e.f. May 8, 2022 and Update on availability of School Transport service through out-sourcing agency.

Dear Parents,

Information is hereby conveyed to all the parents that the school will reopen for K to 12 in physical mode w.e.f. Sunday, May 8, 2022 onwards after Ramadan & Eid Break.

However, the transport facility at the initial stage through the outsourcing agency will be extended to grade IX to XII students and all students from Makkah based on their request submitted through Google Form followed by their physical applications submitted on 6th & 7th May 2022.

Transport facility to the intending students of KG Section will be made available in a couple of days and the same will be intimated to the concerned parents.

It will take some time for the transport agency to make the required number of buses available and to organize and schedule the service to fulfill the complete requirements of the prospective bus users.

Depending upon availability of more buses, the transport facility will be extended to other grade students in a phased manner. Meanwhile parents are advised to arrange their own transportation for pick & drop of their wards.

Further, under extreme situations where the parents of class KG to VIII who are not able to manage the transportation of their wards, the school will extend the facility of online classes to such students. The data of such students will be collected by the HMs of the concerned blocks and necessary arrangements for online classes will be made under intimation to concerned parents & students.

The monthly transport fee for Jeddah zone has been fixed for SAR 185 + VAT and SAR 300 + VAT for Makkah zone. The bus users are also required to pay SAR 185 + VAT as one-time non-refundable amount to the transport agency.

The time schedule for functioning of different blocks of the school is separately issued.
