#### Subject: Infection Control Advice to the Parents & Students

Dear Parents,

It is observed that many of the students have the seasonal flu-like symptoms and viral fever.

The presence of such students in the school can potentially infect the other peer group of students.

Parents are therefore advised to avoid sending their wards to school in case they have any symptom of flu or fever.

The school has a very flexible sick leave policy for such students suffering from seasonal viral fever.

  
(Dr. Muzaffar Hassan)  
Principal
