#### Subject: Wearing of Face Masks - Infection Control Advisory to the Parents & Students

Dear Parents,

It has been observed that many of the students suffering from flu-like symptoms & viral fever are being sent to the school by the parents and the presence of such students in the school is potentially affecting the health of other students. Parents are therefore advised not to send their wards to the school in case of any such illness.

In view of these prevailing conditions, parents are advised to send their wards (not suffering from any flu-like fever symptoms) to the school by wearing face masks as a protective/preventive measure w.e.f. Thursday, November 17, 2022.

The children who will not attend school due to medical conditions may receive the homework/assignment through the Class WhatsApp Groups.

  
(Dr. Muzaffar Hassan)  
Principal
