Subject: Behavior and Discipline Issues of the Students

Dear Parents,

To maintain ethos and climate of International Indian School, Jeddah is a major concern in establishing and maintaining high standards of behaviour and discipline among students.

To succeed in the application of a fair code of behaviour and discipline among school children, a high level of cooperation from the parents is required.

During recent past, few cases of assault and insult, cases relating to the collective misbehaviours of students groups, vandalism, fighting, smoking, examination malpractice, cases relating to poor habit have been reported among students.

Since the school has zero-tolerance policy in regard to breach of discipline and school rule and regulation, parents are readvised to keep their wards under proper monitoring and supervision to avoid any unpleasant situation and consequences in future.

The school administration is always available to extend all possible cooperations and supports for the holistic development of the students at every point of time.
