**Subject: Infection Control Advise to the Parents & Students**

**Dear Parents,**

It is observed that some of the students have measles-like symptoms and viral fever.

The presence of such students in the school can potentially infect the other peer group of students.

Parents are therefore advised to avoid sending their wards to school in case they have any symptom of measles or fever.

Wellness of children is the prime concern of administration for promoting healthy school. Further if there is any case of measles or any contagious disease detected in your ward, please report to the concerned class teacher for school record and do not send your ward to school unless he/she is completely recovered.

The school has a very flexible sick leave policy for such students suffering from such viral sickness.

**(Dr. Muzaffar Hassan)**
**Principal**
