Subject: Advisory for Parents to create awareness among their wards to safeguard the fittings & fixture of the school buses

Dear Parents,

At IISJ, we understand the need for safe entry of each child to school and back home. To ensure the same the school introduced last year a fleet of buses to transport the children through a third-party transport agency. This year another fleet of ten new buses has been added by the transport agency to meet the requirements of the remaining parents.

During recent time, it was reported by the transport company about the damage and destruction of the fittings & fixtures of the seats in several school buses by the children.

Such unwanted activities of a handful of children is quite discouraging both for the school and the transporter. If any of the bus commuters is found guilty of committing such offence in future may be subjected to suitable disciplinary action including recovery of the cost of the damage and expulsion from the school.

We are committed for providing our best to our students which cannot be accomplished without your support.

Looking forward to your cooperation in making smooth transportation of the students to succeed.
