**Subject: Suspension of Academic Activities in Physical Mode on December 06, 2023
due to the Bad Weather Forecast**

Dear Parents and Students,

In view of the Ministry of Education's directives about the bad weather forecast and based on the reports received from the National Center of Meteorology about the expected rainy weather on Wednesday, December 6, 2023 and in order to ensure the safety of children, it has been decided to suspend academic activities on December 6, 2023 (Wednesday) in physical mode at KG and Girls section building.

However, the online classes for the students of KG Section and Girls' Section buildings will be conducted as per schedule to be shared by the respective HMs.

Non-instructional Days (NIDs) for the students of grade I to XII at the Boys' Section have already been declared in view of preparations for the Educational Exhibition (EDEX)-2023.

The Administrative Office and Fee Counter will remain operational if there is no rain and the weather is normal.

All additional scholastic & co-scholastic activities scheduled on Wednesday, December 6, 2023 at the concerned Buildings will be taken up at a later date.
