CBSE/CE/2-Board Examinations-X/2025

Dated:- 25.06.2025

### Notification

**Sub:- Two Board Examinations in Class X from 2026- regarding**

#### **Background**

Para 4.37 of National Education Policy-2020 stipulate that **“To further eliminate the ‘high stakes’ aspect of Board Exams, all students will be allowed to take Board Exams on up to two occasions during any given school year, one main examination and one for improvement, if desired.”**

Further, in PARA 4.38 it is mentioned that **“In addition to introducing greater flexibility, student choice, and best-of-two attempts, assessments that primarily test core capacities must be the immediate key reforms to all Board exams. Boards may over time also develop further viable models of Board Exams that reduce pressure and the coaching culture. Some possibilities include: a system of annual/semester/modular Board Exams could be developed - that each test far less material, and are taken immediately after the corresponding course is taken in school - so that the pressure from exams is better distributed, less intense, and less high-stakes across the Secondary Stage; all subjects and corresponding assessments, beginning with mathematics, could be offered at two levels, with students doing some of their subjects at the standard level and some at a higher level; and Board exams in certain subjects could be redesigned to have two parts - one part of an objective type with multiple-choice questions and the other of a descriptive type.”**
