### Subject: Resumption of Physical Classes for KG and Grades I-II (GS)

Dear Parents,

This is to inform you that the civic work being carried out by the National Water Company (NWC) involving excavation around the KG and Grades I-II (Girls' Section) building is progressing well. The excavation in front of the school is almost complete and the concrete barriers have been removed up to the main entrance. With the roadblock now eased, we are in a position to resume physical classes, subject to proper planning and continued cooperation from parents and private transport operators.

To prevent any further virtual classes, the school will reopen in phases as follows:

- **Grades I & II:** Sunday, December 7, 2025
- **Nursery & KG:** Tuesday, December 9, 2025

The situation will be reviewed over the first two days, after which a decision will be taken regarding the continuation of physical classes, keeping safety and smooth operations in mind.

We appreciate your patience and cooperation as we work to ensure the safety and well-being of all our students.

To facilitate smooth traffic flow during morning arrival, parents are kindly requested **not to park directly in front of the school**, as this may lead to congestion.

#### Dispersal Timings (to ensure smooth traffic flow):

- **School Transport Buses:** 11:45 AM – 12:15 PM
- **Mothers:** 12:15 PM – 12:20 PM
- **Private Van Drivers, Fathers & Guardians:** 12:20 PM onwards

All concerned are requested to strictly follow these timings to support the smooth functioning of the school.

We look forward to welcoming our students back to campus.

(Dr. Mohammad Imran)  
Principal
