**Subject: Parent–Teacher Interaction – 2026–27 for Grades VI to VIII – Boys & Girls**

**Dear Parents,**

The middle school years represent a pivotal stage in every student's academic and personal development. As students move through Grades VI to VIII, they navigate a widening curriculum alongside the personal complexities of early adolescence, such as developing their identity, managing peer relationships and building the habits that will shape their senior school years. Consistent guidance from both home and school during this phase makes all the difference.

We are pleased to invite you to the Parent–Teacher Interaction Session for students of Grades VI to VIII (Boys & Girls):

- **Date & Time** Thursday, April 30, 2026 – From 7:00 PM to 9:00 PM
- **Venue** Respective Blocks in Boys' & Girls' Section

The session will provide an opportunity to:

- Gain clarity on the curriculum, teaching methodologies, assessment patterns and student responsibilities.
- Discuss academic goals and expectations for the new academic year.
- Understand your child's classroom engagement, study habits and social development.
- Set goals and share observations from home to help teachers offer more personalized support.

When parents and teachers work in close partnership, students receive a consistent message of support, one that builds confidence, addresses concerns early and prepares them well for the road ahead. Your involvement is not just valued; it is essential.

We look forward to your enthusiastic participation. Kindly ensure punctuality and cooperation.

  
(Mr. Mohammad Imran)  
Principal
