

Focus on your goals

The Career Guidance Cell (Boys Section) of the International Indian School, Jeddah, organized a stream orientation session titled “**Focus Your Goals**” for **Grade 10** on December 17, 2025, at IISJ Boys Section Auditorium. The objective of the session was to help students make informed and wise decisions regarding their choice of academic streams by aligning their interests with their future career goals.

Mr. Saidalavi, Career In-charge, opened the session by emphasizing the significance of career guidance at this crucial stage in the student’s academic journey. He highlighted the importance of goal setting and self-awareness in making academic and career choices.

Mrs. Safa, Career In-charge, delivered an engaging talk on “Why Commerce”, explaining the scope, opportunities, and relevance of the Commerce stream in today’s global economy. Her insights helped students understand the diverse career paths available in the field.

Mr. Manoj, Mr. Yazir Azam and Mr. Chanju Guru continued the session by discussing real-life choices and the growing demand for skill-based learning in the modern world.

Dr. Abdul Hamid Qureshi, Headmaster of IX-XII Boys Section, concluded the session by elaborating on the criteria for stream allotment and advising students to approach their upcoming examinations with diligence and seriousness. He urged them to make decisions thoughtfully, keeping their long-term goals in perspective.

The session was enlightening and enriching, providing clarity, confidence, and direction to the students studying in grade 10. It successfully empowered them to make well-informed and purposeful choices for their academic and professional futures.
