

Career Guidance Seminar

ORGANIZED BY CAREER GUIDANCE CELL IISJ GS

IX_XII BLOCK | Girl Section | 15 April 2026

Report: Career Guidance Seminar for Grades XI

The **Career Guidance Cell** organised a comprehensive Career Guidance Programme on Wednesday, 15 April 2026 in the Auditorium GS for students of Grade XI with the aim of helping them make informed and confident career choices.

The programme commenced on a solemn note with a **Qirat** recited by **Ms. Zuha Zubair of Class XI A4**.

The session began with an introductory presentation by **Mrs Fatima Abdul Salam** that provided students with a clear understanding of the importance of planning their future. It highlighted key factors influencing career choices and addressed common mistakes to avoid. Emphasis was laid on self-awareness, informed decision-making, and early preparation. Students were guided on how to set realistic goals and work systematically towards achieving them. The session was informative and engaging, helping build confidence among students regarding their career paths.

This was followed by **stream-wise presentations**:

Science Stream:

The presentation by **Mrs Nishat Jawed** focused on subject combinations such as Mathematics + Biology, Biology + Computer Science, and Biology + Home Science. Students were introduced to a wide range of courses and career opportunities in fields like medicine, research, technology, and applied sciences. The session emphasised choosing careers based on individual aptitude and interest rather than external pressure or trends.

Commerce Stream:

The session was conducted by **Mrs. Manzelat Fatima** and **Mrs. Aameena Farooqui**. It familiarised students with diverse career options in commerce, including accounting, finance, business management, banking, and entrepreneurship. Students gained insight into the scope, required skills, and future prospects of each field.

Humanities Stream:

The presentation was delivered by **Mrs. Syeda Nishat Fatima**, who provided a comprehensive overview of various career paths in humanities such as psychology, sociology, literature, media, and law. She also shared a curated list of reputed colleges and universities in India, Saudi Arabia (KSA), and abroad, broadening students' horizons for higher education.

At the conclusion of the programme, **Dr. Bushra Zaidi (HOD, Grades IX–XI Girls Section)** and **Mrs. Farhadunnisa (Vice Principal IISJ GS)** shared their valuable feedback and appreciated the efforts put into organising and presenting the sessions.

The event was also attended by other Career Guidance Incharges- **Mrs Maimoona Jabeen, Mrs Sameera Farooqui and Mrs Nasila V.S.**

Overall, the Career Guidance Programme was highly informative and beneficial. It empowered students to explore various career options and encouraged them to make thoughtful decisions aligned with their interests, abilities, and future aspirations.
