CIRCULAR

Sub: Instructions regarding Class X LOC Registration for Board Examination 2026-27.

- Issuance of Checklist of Candidates for LOC (CLOC):** Students to collect the CLOC from their respective Class Teachers.
- Student will verify and sign in the CLOC, attach the documents mentioned in Point No. 3 below (as applicable) and submit it to the Class Teacher **latest by 1st Oct. 2026**.
- Documents required:
 - Passport copy (**In case of name correction only**) should be attached with the Signed Checklist Page.
 - Copy of Board Examination Fee Receipt/ Last Month Paid Fee Receipt.
 - Blank Reg. Form** duly filled with 1 Photograph (in School uniform on white background) along with Passport Copies (Student & Parent) and Class IX Report Card - **For Direct Admission cases only**
- Class Teachers will collect the Copies of Board Exam Fee Payment receipt/ Last Month Paid Fee receipt from all the students of their respective section and submit to the COE Office separately along with the Signed CLOC by **01-10-2026 before 04:00 pm sharp**.
- TWO LEVELS OF MATHEMATICS:** The two levels are designated as Mathematics Basic (Subject Code: 241) and Mathematics Standard (Subject Code: 041). Basic is easy level meant for students not keen to pursue Mathematics at higher Class after Class X. Standard is meant for students who wish to opt for Mathematics at Senior Secondary (XI & XII) after Class X. Please note that for both levels of Examination, the class room instruction is same. Also be informed that once the Level gets registered with CBSE, later it cannot be changed. **Students are advised to go through the FAQs given on back side of this circular before opting the Level in the CLOC for Class X Board Examination – 2026-27.**
 - If opting for Standard Mathematics (041) just sign in blue ink in CLOC.
 - If opting for Basic Mathematics (241) strike off "Standard" & write "Basic" in Red Ink in CLOC and sign.
- CBSE has introduced two Board Examination policy. First is the Main Examination to be held in Mid-Feb 2027 and Second Examination in May 2027. **"First Examination to be held in Mid- Feb 2027 is mandatory for all the students"**. The second examination in May 2027 is Supplementary/ Improvement Examination. All passed & eligible students will be allowed to improve their performance in any of the 3 subjects out of Science, Mathematics, Social Science & Languages. For the Second Examination, registration and fee payment will be made available by CBSE after declaration of First (Main) Examination results.
- All corrections must be made using a red ink pen only.**

FAQs on Two Levels of Mathematics:

Q.1. What is the difference between the Standard Level and Basic Level of Mathematics in class X Board examinations?

Ans: Standard-Level and Basic-level Question papers shall be based on the same syllabus. However, the Standard-Level Mathematics assesses higher Mathematical abilities compared to Basic-Level. Accordingly, the difficulty level of the Mathematics – ‘Basic’ is less than that of Mathematics- ‘Standard’.

Q.2. Are we increasing the burden on the child by introducing the concept of two Levels of Exams in Mathematics?

Ans: No, because the option to pick either Level is with the student. Further, the syllabus prescribed by CBSE will remain the same for both the levels.

Q.3. Will this lead to dilution of Mathematics syllabus/teaching?

Ans: No, the idea is to make the evaluation more students centric and reduce the pressure on the student who doesn't want to pursue Mathematics after class X.

Q.4. Can a student opt for both Standard Level and Basic Level Exams?

Ans: No. There is only one option, either Mathematics-Standard or Mathematics-Basic.

Q.5. To continue Mathematics as a subject in class XI/XII and further, which Level Exam does a student need to pass?

Ans: Mathematics-Standard is to be passed at class X, for taking up Mathematics at Sr. Secondary level.

Q.6. If a student qualifies only the Mathematics-Basic in class X, can he/she opt for Mathematics in class XI/XII?

Ans: No. If he/she intends to take Mathematics in class XI/XII, he/she has to pass Mathematics-Standard.

Q.8. If a student qualifies Class X with Mathematics-Basic, can he/she opt for Science Stream in Class XI/XII?

Ans: Yes. He/She is eligible to opt for Science Stream (XI/XII) but cannot opt the subject Mathematics.
